WHAT TO EXPECT IN A SEMESTER

Typical Components of a Module:

1. Class Participation
2. Group Project/ Presentation
3. Mid-term Examination
4. Final Examination

Average Number of Mods Taken:

- Most 1.0 CU modules will have 3 hours' worth of seminar lesson every week
- Most students opt for **4 or 5** modules per semester
 - **BUT** overloading to 6 modules is possible

2 What is BOSS?

SMU Bidding Online System

WHAT IS BOSS?

What is BOSS?

- A bidding system for SMU Undergraduate students to enrol in classes.
- Students are given e-dollars (e\$) to bid for modules and the highest bidders are enrolled into each class.

How the system works:

- There are multiple rounds and windows.
- The minimum bid amount for any class is **e\$10**.
- In the event there is one seat left, a ballot will be done if both bids are the same as a tie-breaker.

For Freshmen ONLY!

- Certain modules are pre-assigned to freshmen based on the basket they are randomly allocated to (Refer to “Pre-assigned Modules”).
- Most freshmen would bid for 1 or 2 additional modules **OR** do not bid at all for their first year, depending on their own academic planning.

Bidding Credits (e\$)

WHAT IS BOSS?

Effective from AY 24/25:

- All students will receive e\$115 per semester, regardless of the number of modules you are required to take.

Bonus bidding credits (Term 2 onwards):

- e\$10 for End-of Term Course Feedback
- e\$5 for SMUSA Student Survey (SSS)
- e\$3 for Students Pulse Survey (SPS)

*For AY 24/25, SSS and SPS has been combined, hence a total of e\$8 will be given for the completion of a single survey.

Any unused e\$ will be carried over to the subsequent terms, with the exception of Term 3 (Summer Term).

For Freshmen ONLY!

- All freshmen will receive e\$115 in their first term, as they have not done any surveys.
- The above allocation of e\$ will only be applicable from Term 2 onwards.

Pre-assigned Modules

- Freshmen are randomly divided into 2 baskets for pre-assigned modules
- They are **not allowed to drop** any pre-assigned modules (i.e. you cannot choose your professors / timings for your pre-assigned modules).
- **e\$20** will be deducted per pre-assigned course.

Pre-assigned Accounting modules for ALL BAcc Freshmen:

- In Year 1: **ACCT111 Financial Accounting** (Term 1) and **ACCT112 Management Accounting** (Term 2)
- In Year 2: **ACCT223 Taxation** and **ACCT224 Financial Reporting and Analysis**

Pre-assigned Modules

WHAT IS BOSS?

TERM 1

BASKET A

- **ACCT111 Financial Accounting**
- COR1100 Writing & Reasoning
- COR2100 Economics & Society
- COR3001 Big Questions

BASKET B

- **ACCT111 Financial Accounting**
- COR1201 Calculus
- LGST101 Business Law
- OBHR101 Management of People at work

TERM 2

- **ACCT112 Management Accounting**
- COR1201 Calculus
- LGST101 Business Law
- OBHR101 Management of People at work

- **ACCT112 Management Accounting**
- COR1100 Writing & Reasoning
- COR2100 Economics & Society
- COR3001 Big Questions

The courses (**except those highlighted in red**) will be “flipped over” in Semester 2.

- ACCT111 / ACCT112 are compulsory modules to take for all BAcc Freshmen (subject to exemption) to take together in the same semester.

WHAT IS BOSS?

Pre-assigned Modules

MUTUAL CLASS SWAP

From AY 24/25 onwards:

- Students may apply to swap their pre-assigned course(s) section of the **same course** but with a different date and/or timing during the swap window before the start of the course bidding exercise.
- Students can choose a maximum of 2 choices during the Swap window before the start of bidding.
- All the class swaps are done anonymously and will go through processing to find an exact match.

SUCCESSFUL

- Swaps will only be successful if there is a **corresponding match** to the students' swap request.
- The match will be allocated **randomly** if the swap demands are more than the available supply.
- Students will be notified of the swap outcome one working day before Round 1 commences.

UNSUCCESSFUL

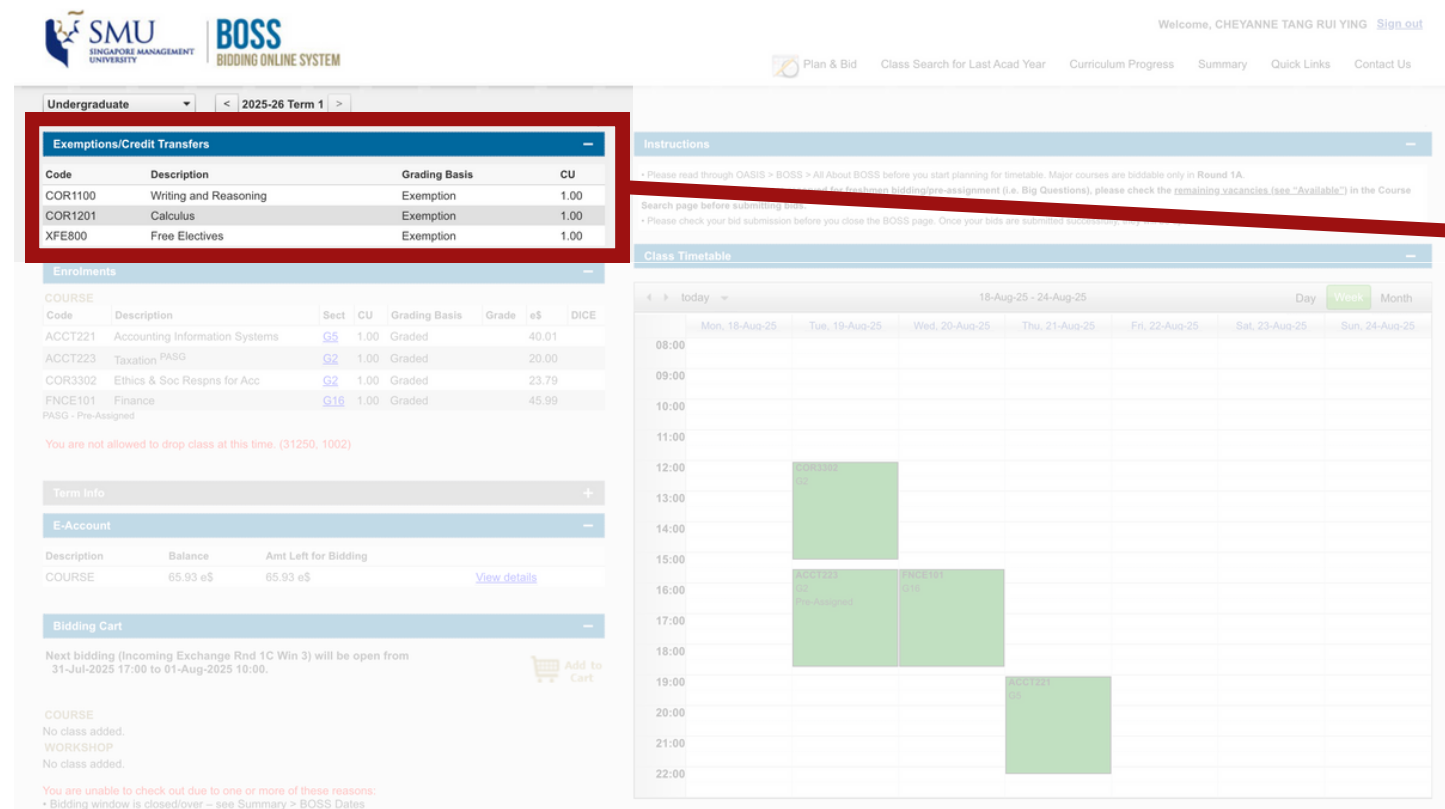

- If there is no exact matching swap request, the swap will be unsuccessful.

WHAT IS BOSS?

Exemptions

- Not all freshmen will be pre-assigned 4 modules per semester due to exemptions.
- To check your exemptions, click [Course Exemptions Calculator for Undergraduate Studies](#)
- You can also retrieve your list of exemptions via BOSS “Summary” / “Plan & Bid” pages:

3 Guide to BOSS & Bidding

Bidding Considerations

GUIDE TO BOSS & BIDDING

Before placing your bids...

MODULES

Some factors to consider:

- Priority (e.g. pre-requisites)
- Module availability
- Appropriate workload (e.g. taking a 4/5 mod semester)
- Course outlines, etc.

PROFESSORS

- Different professors have different teaching styles, so try to get reviews of professors from seniors or external sources.
 - Example: [AfterClass](#)

PREFERRED TIMETABLE

Class Timings:

- 8.15am - 11.30am
- 12pm - 3.15pm
- 3.30pm - 6.45pm
- 7pm - 10.15pm

Ensure there are no clashes in timing for Finals.

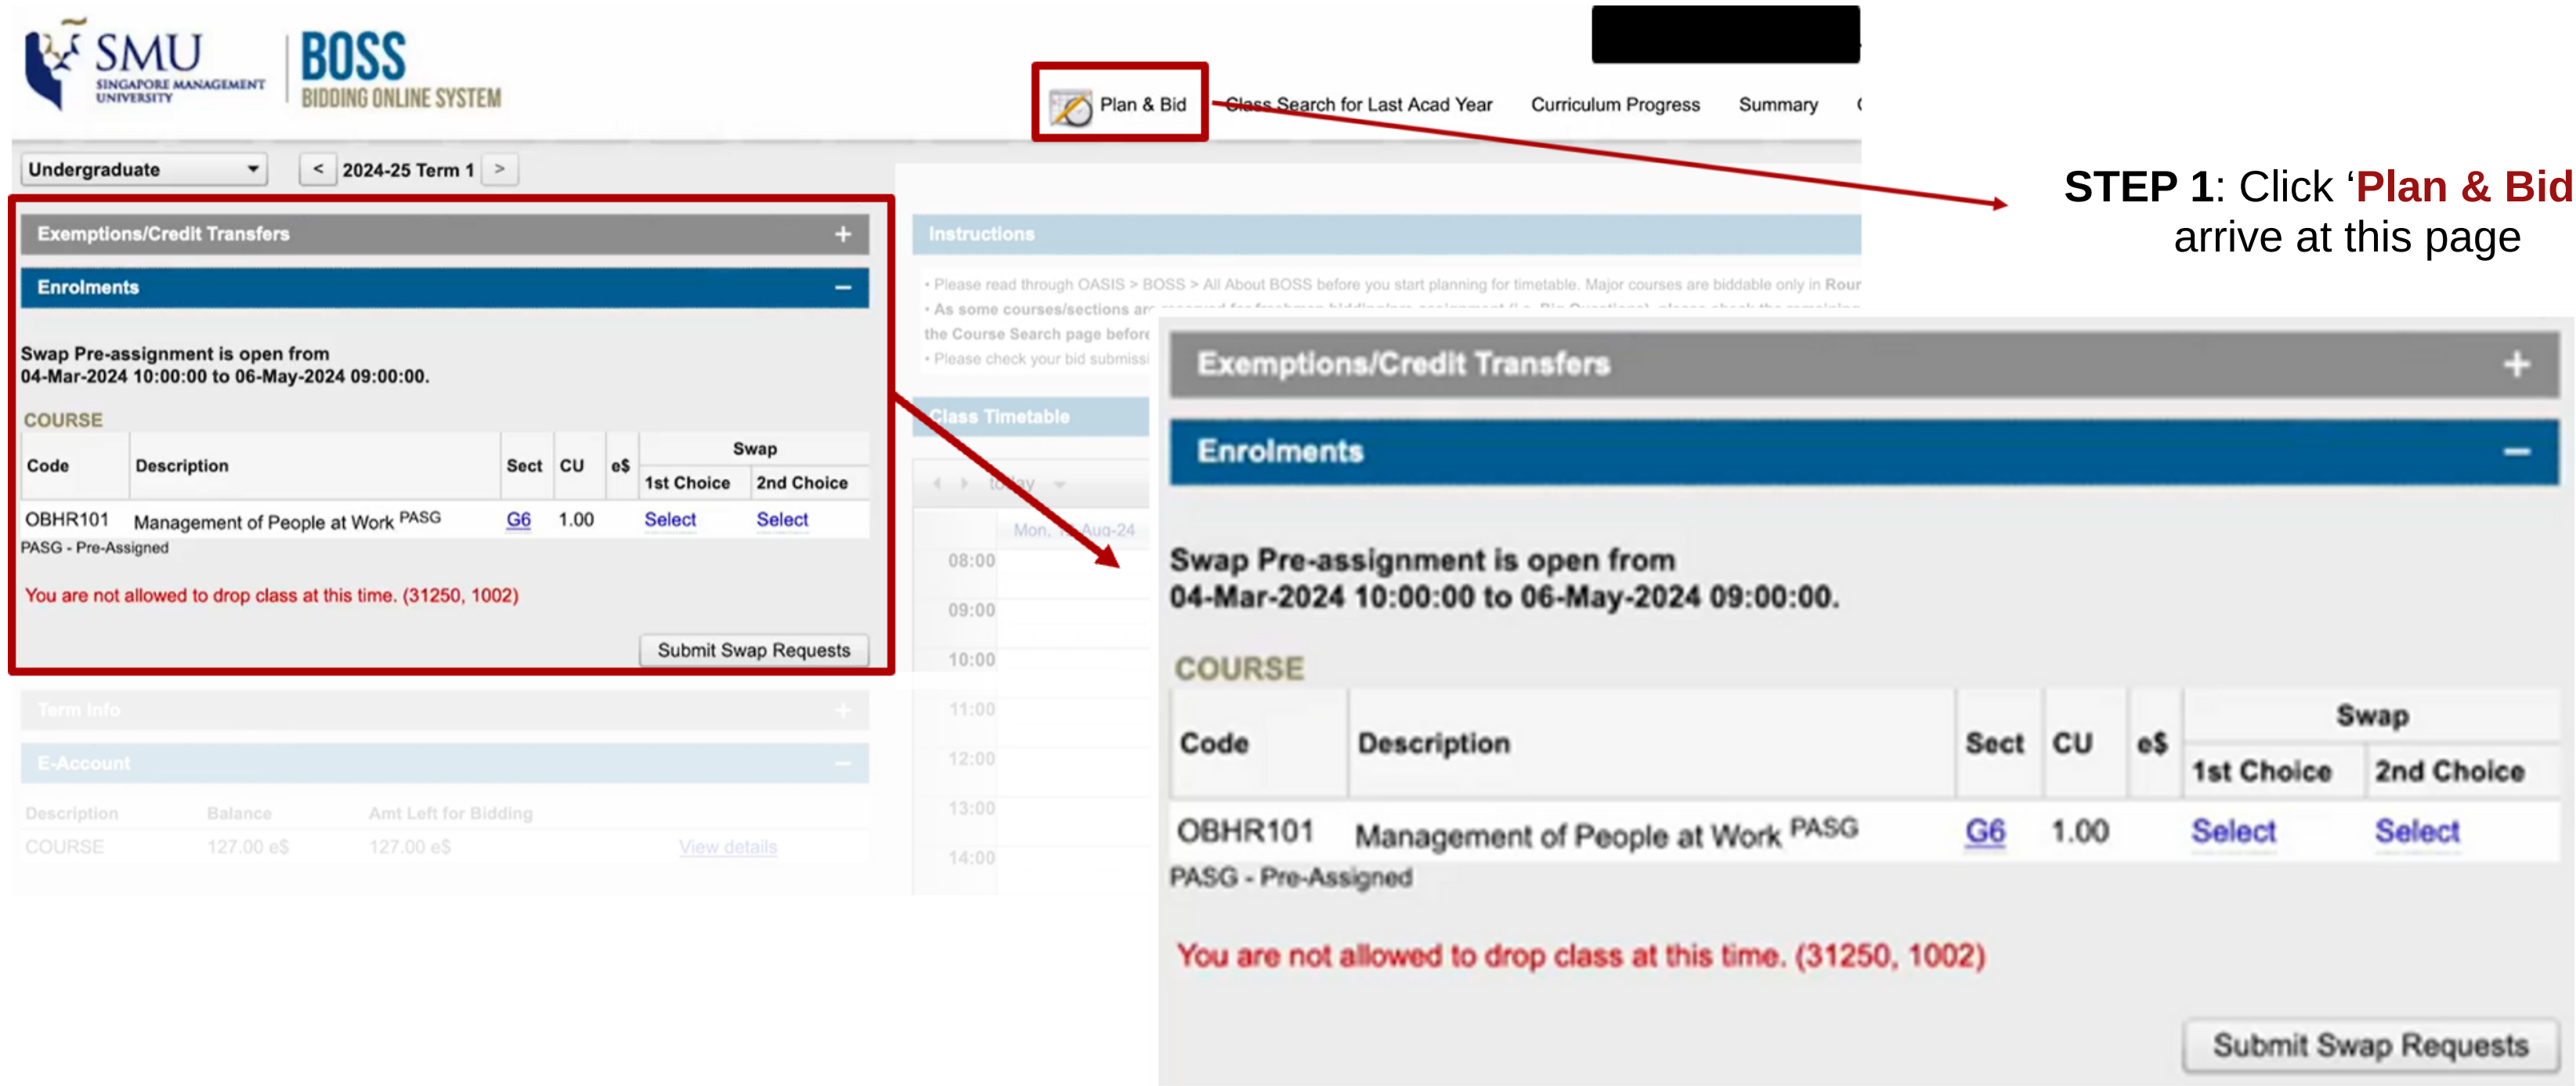

e\$ BUDGETING

- Unused e\$ can be rolled over to future semesters.
- Plan wisely to ensure that you have left enough credits for future semesters.

Drop If Course Exceeds (DICE) is activated when the number of your bids (in course units) exceeds the term enrolment limit. In such a situation, you have to specify at least 0.5 Course Unit for DICE i.e. indicate DICE priority 1 only (first course to be dropped). In some situations, you may need to specify 2 courses i.e. indicate DICE priority 1 and 2 only, in order of precedence to be dropped.

To DICE an enrolled course/workshop, click on the lock icon to activate the DICE field.

Cancel Drop Selected Class

- Note that there is a deadline for dropping a module. You will be issued a "*Withdrawn*" or "*Failed*" grade if you choose to drop a module either:
 - after the close of Round 2A; **OR**
 - after Round 2 for Term 3 (Summer Term).

Dropping of Modules

- Note that your decision of dropping modules are immediate.
- Once a module is dropped, you will be refunded with the e\$ immediately. Depending on the round you have dropped the module, the maximum amount of refund you can receive varies:

ROUND	MAXIMUM REFUND (E\$)
Round 1 & 1A	50
Round 1B	40
Round 2	30
Round 2A	10

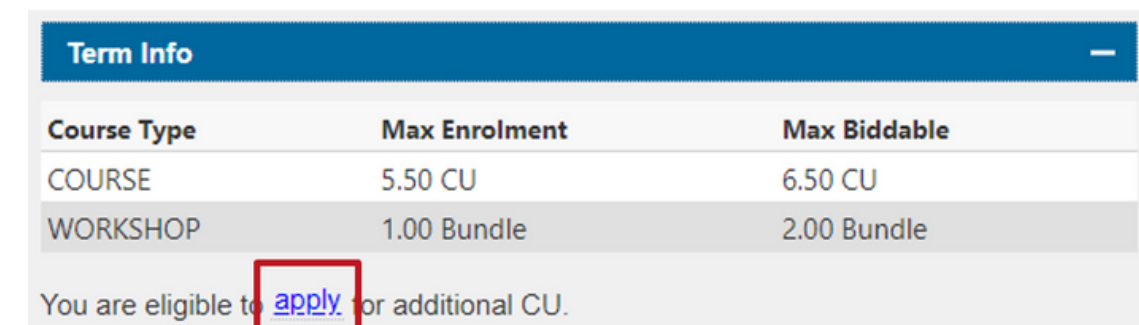

Enrolling for Additional Module

MISCELLANEOUS

- Students may choose to take an additional module (i.e. enrol in a 6th course / course unit) if they are able to manage the workload or wish to complete their CUs more quickly.

Requirements:

- Cumulative GPA ≥ 3.30 after the first year of study.
- Maximum of **6.5CUs** only.

A screenshot of the 'Term Info' page in the OASIS system. It shows a table with columns for Course Type, Max Enrolment, and Max Biddable. Below the table, there is a message stating 'You are eligible to [apply](#) for additional CU.' The 'apply' link is highlighted with a red box, and a red arrow points from the text 'How to apply:' to this link.

Course Type	Max Enrolment	Max Biddable
COURSE	5.50 CU	6.50 CU
WORKSHOP	1.00 Bundle	2.00 Bundle

You are eligible to [apply](#) for additional CU.

How to apply:

- Fill up the “Application for Term Unit Load Increase” form online via

OASIS > BOSS Bidding > Term Info

- To be submitted online **within a week** from the **start of term**.

- Once approved, you can bid for a 6th module in **Round 2A ONLY**.

*Note there will be no additional e\$ allocated for bidding of the additional module.

Leave of Absence (LOA)

- You may wish to take a leave of absence during your time in SMU to pursue a 6-month internship for example.
- The maximum period of absence granted will be **1 year**.
- To apply for a LOA,

OASIS > All Apps > Leave of Absence Application

Refund of School Fees:

- If the LOA is effected within the first 2 weeks of school, there will be a **full refund** of school fees.
- If the LOA is effected from the 3rd week onwards, no refund will be given.

Refund of e\$:

- You will still receive e\$115 as well as the e\$ from the feedback if you have completed them.
- If you have bidden for modules in the previous semester and decided to go on an LOA in the next semester (provided your LOA is effected by the first 2 weeks of school), **all your e\$ will be fully refunded** back to you.

Bidding Strategies

MISCELLANEOUS

DROP IF COURSE EXCEEDS (DICE)

- Students can bid for additional modules beyond their term enrolment limit, but excess modules will be automatically dropped **in order of preference**.
- DICE cannot be used to bid for another class of the same module, or another module with a conflicting timetable / exam clash.

SNIPING

- **Riskier strategy** where you drop a successful bid and re-bid again at a lower price, typically done a few minutes before the window closes.
- Usually done to save e\$ when you have over-bid on modules.

****NOTE: There is always a risk of being counter-sniped by other students.***

COUNTER-SNIPING

- Continuously refreshing the page when the bidding round is about to close, and bidding on a module if there is a sudden increase in class vacancies, due to other snipers dropping the module.
- It is a **riskier strategy**.
