

FRESHMEN GUIDEBOOK

ACADEMIC YEAR 2025/26

PREFACE

Hi Freshmen!

Welcome to SMU and the School of Accountancy (SoA)! We are excited for you as you embark on a new journey here with us in SMU, and we understand new beginnings can be daunting.

This guidebook serves as a comprehensive guide for you, equipped with important information about SMU for you to get acquainted with the environment. If you have any queries, please feel free to reach out to us via email (accsoc@sa.smu.edu.sg).

Ready to be a well-equipped freshie? Let's go!

CONTENTS

①

IT MATTERS AND IMPORTANT WEBSITES

- IT Helpdesk
- Software Installation & System Set-ups
- OASIS
- e-Learn
- OnTRAC II
- Facilities Booking System
- Afterclass

IT MATTERS & IMPORTANT WEBSITES

At SMU, a great deal of learning is done online, and most learning materials are provided through the school server, listed below are some useful tips to guide you in getting your laptops configured to smoothly navigate SMU's different websites and portals throughout your university journey!

IT HELPDESK

The Help Centre is the place to go whenever you face any technical problems

Location:

IT Help Centre, Basement 1 (beside the School of Accountancy lift)

Opening Hours:

Monday to Friday: 8am - 7pm (last walk in at 6.30pm)

Closed on weekends and public holidays

Contact Information

Phone: 6828 0123

Email: helpdesk@smu.edu.sg

SCHOOL WIFI CONNECTION

1. Look for the network "WLAN_SMU"
2. Upon clicking the network, you will be prompted to fill in the following details:
 - Username: first part of your school email (e.g. john.doe.2025)
 - Password: the password to your school email

SMU PASSWORD MANAGEMENT

You will be required to change your email password every 180 days, otherwise you will be locked out of your account.

*Helpdesk will usually send reminder emails to students, so do keep a lookout for those!

It is important to keep your account active for easy and continual access to school portals and websites.

Upon changing your password, you would need to repeat the steps under "School Wifi Connection" again to gain access to the school wifi.

In the event you get locked out of your school account, there are three ways to unlock your account

- Register for online service (recommended)
- Email in to Helpdesk for assistance - helpdesk@smu.edu.sg
- Head down to the IT Help Centre during opening hours

You can access the guide on how to change your password [here](#).

RESPONDUS LOCKDOWN BROWSER ('EXAM')

Here at SMU, some of our tests and examinations are held online, which require the use of Respondus Lockdown. Hence, all students are required to download Respondus Lockdown and click here for a more thorough guide on the installation process.

During the test or examination, you can launch the lockdown browser through “Quizzes” on the respective module page on eLearn. Do remember to bring your laptop charger during the test or examination and keep your laptop charged throughout as you are unable to see your battery status once the browser is launched. Make sure not to accidentally swipe out of the Lockdown Browser, and in the event you do, immediately alert your invigilator.

How to launch or check your Lockdown Browser:

SMU has provided several quizzes with unlimited attempts for you to check and test out your Lockdown Browser. As there may be some system updates over time, it will be good to check before every test or exam.

1. Go onto e-Learn and click on “Student Orientation to e-Learn” (note that module naming may differ)

2. Click on Quizzes and it will lead you to this page. There are different types of quizzes for you to try.

Current Quizzes	Evaluation Status	Attempts
Orientation Quiz without password for Students- Requires Respondus LockDown Browser ▾		0 / Unlimited
Orientation Quiz for Students 2 - Requires Respondus LockDown Browser + Webcam ▾		0 / Unlimited
Orientation Quiz with password for Students- Requires Respondus LockDown Browser ▾ 🔑		0 / Unlimited

PRINTING SERVICES

There are printers located on Level 2 of every school building here in SMU. There are also printers located in both the Li Ka Shing Library and the Kwa geok Choo Library.

*Do note that **colour** printers are only available at the two libraries (school printers can only print black & white)

Cloud-based printing

Internet connection is all you need! You can print your documents anytime and anywhere by saving your work and uploading it onto the printing website linked [here](#).

You should see this page as shown below when you click into the link.

Home > IT Services & Help > Computer & Printer Support > Printing

Print Services (Student)

Student Printing Service

Student printing and copying services are chargeable and are handled by a vendor appointed by SMU. **Payment may be made by Ez-link/Nets FlashPay or SGQR (eg: PayNow).** Students can submit the document via web browsers from anywhere with an internet connection and release and collect their printouts from the location of their choice in the library and common spaces in the schools.

Click the above button to access the Portal

How to print your documents

1. Access the Student's Print Service portal
2. Choose your preferred printing option
3. Upload your documents
4. Once uploaded, a unique 6 digits code will be displayed on your browser;
5. Go to any of the printing rooms, enter your unique 6 digits code on printer's touch panel to pay and print.

All printing payments can be paid using EZ-Link cards, NETS FlashPay, or PayNow. For information on how to print, locations of the printing rooms and printing costs, visit the link [here](#).

OASIS

*Also known as Online Access to Student Information Systems

OASIS is an online portal that contains a non-exhaustive list of information such as regarding BOSS bidding, curriculum matters, financial assistance schemes, career development and community service matters. It is one of the most widely used platforms for all SMU students as we are able to find most of the information we need on here!

You can also check your class and exam timetable for your confirmed modules on OASIS. This is how your Homepage on OASIS should look like.

On this page, you can find links to websites that you will be frequenting.

- [e-Learn](#) (access to course materials for each of your modules)
- [OnTRAC II](#) (to sign up for CSPs and internships)
- [Facility Booking](#) (to book rooms for discussions)
- [BOSS Bidding Portal](#) (to bid for your classes)

E-LEARN

A portal for you to retrieve course materials and to complete mandatory online courses in SMU. You can access e-Learn [here](#).

Pro-tip: Brightspace Pulse

In need to view your course materials on the go? Available on both the App Store/Google Play Store, "Brightspace Pulse" allows you to easily access your eLearn on your mobile devices. Simply search for "[SMU eLearn](#)" upon downloading the app, and it will direct you straight to the e-Learn portal!

ONTRAC II

An online platform for students to apply for job/internship positions. It can only be accessed upon completion of the mandatory e-internship online units (refer to Chapter 5 for more details). You can also book appointments with your career coaches (DKHMCC) through this portal.

Every SMU student is assigned to a career coach who will send you an email. You are encouraged to make an appointment with them as they would be able to provide valuable insight as to how you should be mapping out your university journey in the next four years in SMU.

You can access OnTRAC II [here](#) or via OASIS at:

OASIS > OnTRAC II

BOSS BIDDING

Here is how to bid like a BOSS! This website is used for module bidding every semester using e-Dollars (e\$). To find out more about bidding on BOSS and the entire process, do check out the following sites:

- [OASIS All about BOSS](#)
- [ASoc BOSS Bidding Crash Course](#)
- [SMUSA BOSS Bidding Guidebook](#)

FACILITY BOOKING SYSTEM

An online platform, also known as [FBS](#), for students to book facilities such as Group Study Rooms (GSRs), Seminar Rooms (SRs) and Classrooms (CRs) for group study sessions and project discussions. Most of the facilities will require at least 1 co-booker to confirm on the booking! Every student is given 4500 credits per academic year, and will restart at the start of each academic year (AY) (but not to worry, it is rare to use up all your credits).

Non-exhaustive list of facilities available:

Facility Booking	Number of Co-bookers	Maximum number of hours bookable	Additional things to take note
Group Study Rooms (GSRs)	1	4 hours a day	
Seminar Rooms (SRs)	2	No time limit	Change the "Use Type" in Booking Details to "AdHoc"
Classrooms (CRs)	2	No time limit	Change the "Use Type" in Booking Details to "AdHoc"
Project Rooms (PRs)	1	3 hours a day	

AFTERCLASS

Need more information on courses and professors? Look no further as we have just the website for you! AfterClass is an external website where students can browse through evaluations done by other students on different courses and professors, including information such as the pros and cons of the mod as well as the teaching style of the particular professor.

The site also offers other services such as Bid Price Analytics, a platform for students to buy and sell their textbooks, notes as well as student deals.

Remember to use your school email to sign in and you can access AfterClass [here!](#)

*Disclaimer: AfterClass is a student led initiative and NOT an SMU affiliated website. Alternatively, try reaching out to seniors for advice and to hear more about their experiences regarding respective modules.

02

ACADEMIC MATTERS

ACADEMIC CALENDAR

To learn more about the important dates in SMU, you can check out the academic calendar that will be updated annually via:

[OASIS > BOSS > Quick Links > Critical Dates](#)

ACADEMIC HANDBOOK

Refer to the student handbook provided by SoA for useful information on your curriculum, second major options as well as internship and community service requirements.

More details can be found on OASIS at:

[OASIS > Academic > Curriculum Advisement > Student Academic Handbook](#)

EXPLORATORY UNITS

In SMU, all undergraduate students are given an option to exclude two course units of passed grades from cGPA computation.

Under the Exploratory Courses Policy, it will only be applicable for modules taken before their final term of coursework (with the exception of compulsory University/Programme Core courses, compulsory Major courses and compulsory Track courses).

In other words, students may declare any two passed non-mandatory or additional courses (i.e. any electives) taken in SMU up to, and including, their penultimate term of coursework as Exploratory Courses.

Click [here](#) to find out more!

TEXTBOOKS & RESOURCES

Certain professors recommend students to purchase textbooks for their class.

Check your course outline for the latest required textbooks and pay special attention to the required edition. They may be purchased online at [Booklink](#).

SMU Libraries may hold either physical textbooks that can be borrowed temporarily or digital textbooks that can be accessed on the SMU Library [website](#).

Alternatively, you can consider reaching out to seniors through various SMU Telegram channels or your camp facilitators to purchase or borrow second-hand textbooks.

GPA CALCULATION

SMU has a 4-point grading system. The following grade notations are used in calculating the Grade Point Average (GPA), which is the quotient of total grade points divided by total course units attempted:

Grade	Grade Point	Mark range
A+	4.3	86 and above
A	4.0	83 to 85
A-	3.7	80 to 82
B+	3.3	77 to 79
B	3.0	74 to 76
B-	2.7	70 to 73
C+	2.3	66 to 69
C	2.0	63 to 65
C-	1.7	60 to 62
D+	1.3	53 to 59
D	1.0	50 to 52
D-	0.0	49 and below

SMU CORE CURRICULUM

Details of the SMU Core Curriculum are listed below:

CAPABILITIES (6 COURSES)

Numeracy (Calculus) 1 CU

Modes of Thinking (Choose 1 Course) 1 CU

Managing (Management Communication & 1 Other Course) 2 CU

Writing and Reasoning 1 CU

Internship 1 CU

COMMUNITIES (4 COURSES)

Economics and Society 1 CU

Technology and Society (Choose 1 Course) 1 CU

Cultures of the Modern World (Choose 1 Course) 1 CU

Community Service 1 CU

CIVILISATION (3 COURSES)

Ethics and Social Responsibility for Accounting 1 CU

Big Questions 1 CU

Global Exposure Non-credit bearing

BACC COURSE CURRICULUM

An overview of BAcc Course Curriculum is listed below:

Accounting Core 18 CU

Accounting Electives 3 CU

Free Electives 3 CU

RECOMMENDED COURSE SEQUENCE

You can learn more about the recommended modules to take in your first year through accessing:

[OASIS](#) > [BOSS](#) > [Quick Links](#) > [Course Sequence](#)

*Disclaimer: The list only covers first major accounting modules (without second major considerations). It does not include accounting electives and core curriculum modules.

2ND MAJOR REQUIREMENTS

To learn more about the second majors available in SMU, you can go to:

[OASIS > Academic > Curriculum Advisement > Second Major Requirements](#)

For single degree students:

Able to declare a maximum of 2 majors (First and Second Majors)

For double degree students:

Primary degree - Able to declare a maximum of 2 majors (First and Second Majors)

Secondary degree - Only 1 major (First major)

You will need to declare your second major by the end of your second year in SMU.

Do take note that a penalty of e\$10 will be imposed for any drop, amendment or late declaration of Majors.

For more information, head over to our [ASoc Module Difficulty Guidebook](#) which covers the BAcc curriculum and academic-related matters.

You may access it here through the ASoc [website](#).

ASOC GUIDEBOOKS

In an effort to support BAcc undergraduates academically, the Management Committee of the Accounting Society (ASoc) has created a series of student-initiated guidebooks as follows:

01 MODULE DIFFICULTY GUIDEBOOK

Aims to assist BAcc undergraduates in their academic planning. It is a compilation of reviews and feedback gathered through surveys from students who have previously taken the modules. Most students find it beneficial when module bidding is approaching!

02 BOSS BIDDING CRASH COURSE

An optional online session specifically curated for incoming freshmen to learn how to navigate BOSS and get them prepared for their first-ever bidding. Get all your burning questions about bidding answered here too!

Interested in finding out all the tips and tricks to bidding? Keep a lookout for our EDM blast to sign up and attend the online course!

03 CAREER GUIDEBOOK

Under the guidance of working professionals, it aims to provide valuable insights into the diverse career pathways available to Accountancy students after graduation. It serves as a resource for both undergraduates and graduates to explore their preferred field.

*These guidebooks are available for download from the ASoc website under 'Guidebooks'. The guidebooks are refreshed annually (before every new academic year) to provide students with the up-to-date information on all the changes in SMU and BAcc curriculum.

03

**COMPULSORY
ONLINE
UNITS**

COMMUNITY SERVICE ONLINE UNITS

Before embarking on your community service efforts, you have to complete four mandatory online units: one Reflection Practice Unit (RPU) and three Community Service Units (CSUs) on eLearn.

The RPU will equip you with skills for deeper and more meaningful reflection, while the CSUs will introduce you to guiding principles and tools such as service learning, needs analysis and asset mapping.

It is highly recommended that you complete these units before the semester starts, or minimally before the start of Year 2.

More details can be found on OASIS at:

[OASIS > Careers & Comm Service > Community Services > How to Apply](#)

E-INTERNSHIP ONLINE UNITS

The e-Internship online unit is an online session that you will need to go through before embarking on an internship. This is included along with the below online learning units on eLearn.

1. Reflection Practice Unit (RPU)
2. Five Internship Readiness Modules (IRM101 - IRM105)
3. e-Internship Quiz after reading the e-Internship Guide

More details can be found on OASIS at:

[OASIS > Careers & Comm Service > Internship > e-Internship Briefing](#)

Where can I find them?

You may locate these online units on eLearn, under the course name "Co-Curricular Learning".

COMMUNITY SERVICE ONLINE UNITS

Where can I find them?

They can be found on eLearn, under the course name “Co-Curricular Learning”.

should be 2025 according to your matriculation year

A red notebook cover with rounded corners is centered on a light beige, textured background. The notebook has the number '04' and the words 'GLOBAL EXPOSURE' written in white, bold, sans-serif capital letters. Black line art is visible around the notebook: a pencil on the left, a squiggle at the bottom, and a curved line on the right.

04

**GLOBAL
EXPOSURE**

At SMU, every student has to fulfil the global exposure requirement before they graduate! Here are some of the programmes students can embark on to clear this requirement. Modules taken overseas will be graded on a Pass/Fail basis and are not counted towards your GPA.

ACCOUNTING / BUSINESS STUDY MISSIONS

Study missions are study programmes that encompass a short overseas study trip. It can usually fulfil the Asia Studies and Global Exposure requirement.

Look out for emails from SoA and LKCSB regarding the study missions. It contains important information that you will need for the application process as well as available financial assistance. Do read up carefully before signing up to ensure the modules you are looking for, can fulfil your degree progress requirement.

Students do not have to bid for ASM/BSM but there is an automatic e\$20 deduction upon your acceptance of the offer.

Common destinations for past Accounting or Business Study Missions include South Korea, Hong Kong, Indonesia, Thailand and Taiwan.

SHORT-TERM STUDY PROGRAMME

Look out for emailers from the Centre for Global Education and Opportunities (GEO) on the different short-term study opportunities available during Summer (Term 3A or 3B) and Winter (Modified Term I).

SSP allows students to clock 0.5 to 2 SMU Credit Units (depending on programme).

You can access more information through the portal:

OASIS > Campus Life & Exchange > Other Study Programmes
> Short-Term Study Programme

INTERNATIONAL STUDENT EXCHANGE PROGRAMME

Many SMU students choose to go on exchange for a semester at one of SMU's overseas partner universities during their third or fourth year. However, students are not allowed to go on ISEP if they are in their final semester.

Look out for emailers from the Centre for Global Education and Opportunities (GEO) on the different exchange opportunities available.

You can find out more about the partner universities via:

[OASIS > Campus Life & Exchange > International Exchange
> Programme at a Glance](#)

Students usually choose to clear the following modules during their exchange:

- Accounting Electives
- Free Electives
- SMU Core - Capabilities:
 - Managing (Elective)
 - Modes of Thinking (Elective)
- SMU Core - Communities
 - Technology and Society (Elective)
 - Cultures of the Modern World (Elective)

It is important to note that you will only be able to clear up to 2 Accounting Electives during your exchange. Students are not allowed to map any Business or Accounting core modules overseas.

For more information regarding credit transfers / module mapping, go to:

[OASIS > Campus Life & Exchange > International Exchange
> Credit Transfer Handbook](#)

OVERSEAS COMMUNITY SERVICE PROJECT

OCSPs are a great way to help others while clearing the 80-hour community service requirement! SMU has numerous OCSPs for students to join, make new friends and do good deeds.

Do look out for the recruitment emails sent out by the many OCSPs that will be carried out during the winter and summer holidays. Common destinations are Southeast Asian countries like Thailand, Vietnam and Cambodia.

These trips are usually subsidised (especially if it is your first OCSP) and you can use funds from your PSEA (Post Secondary Education Account) to pay for your OCSP trip as well.

05

**SOA & ASOC
SIGNATURE
PROGRAMMES**

ASOC MENTORING SCHEME

The ASoc Mentoring Scheme (AMS) aims to help incoming freshmen transition into university life by having mentors share their experiences and provide help whenever necessary.

AMS will comprise of two phases this year. Each mentoring group will comprise one mentor and a few freshmen. Freshmen will be assigned to their ASoc Camp facilitators should their facilitators be mentors under this scheme.

For phase 2, each mentor group will be paired with an industry professional so that mentees can gain deeper insight into the different accounting careers.

SOA PEER TUTORING SCHEME

SoA Peer Tutors are students who are academically stronger and handpicked to assist other students academically, under the guidance of the Dean and other professors. They conduct revision workshops for key Accounting modules before the Final examinations.

Financial Accounting Bootcamp

It is usually held a week before the new term starts. The session is optional, but all freshmen are welcome and encouraged to join!

Peer Tutors Finals Revision Workshops

At the end of the semester, the Peer Tutors will hold finals revision workshops for some of the core Accounting modules where they will go through sample papers and the answers. Do keep a lookout for their emails and sign up for the workshops!

PROJECT MOOLAH

ASoc's very own local Community Service Project (CSP) that promotes financial literacy to local secondary students. Get a chance to meet friends from other faculties as it is open to all SMU students. All SMU students can participate as an organising committee member or facilitator.

Participating in this project will contribute towards fulfilling the Community Service Requirements.

Keep a lookout for their recruitment email for organising committee members and facilitators during the semester! For more details, please visit their Instagram page @project.moolah.

SMU-MCCY CHARITY TRANSPARENCY ASSESSMENT PROJECT

Another one of ASoc's very own local CSP which aims to enhance the disclosures and governance practices across the charity sector in Singapore. Student participants will be assessing charities based on any related publicly available information, such as their Annual Report or their Financial Statements.

The assessment results will help to determine whether charities will receive the Charity Transparency Awards. Through this job scope, student participants are expected to gain pro-bono audit and advisory experience in the charity sector.

Participating in this project will contribute towards fulfilling the Community Service Requirements.

If you require any assistance with regards to student matters during the semester, do feel free to reach out to Prof Ben (benjaminlee@smu.edu.sg) or the UG Office!

06

**STUDENT
LIFE
HIGHLIGHTS**

ASOC NIGHT

One of ASoc's flagship events held at the beginning of the academic year. ASoc Night features fun games, activities and pageant performances to commemorate SoA's 24th birthday this year.

This year's ASoc Night presents the Millionaire Metropolis - with fun arcade games and attractive prizes that you can look forward to. Bring your friends along and join us in this celebration!

More information can be found on their Instagram page @asocnight.

ASOC AXEXPLORE

Our largest annual networking event spearheaded by the Professional Development Department of ASoc.

Representatives from a variety of companies ranging from the Big 4, to mid-tier accounting firms, to banks, will be invited to have an introduction and networking session with students.

Interested students can sign up for the individual sessions through the links in our EDMs!

ASOC ALUMNIGHT

ASoc AlumNight is an annual event that provides an opportunity for students to interact with SoA Alumni to gain a better understanding of various industries and explore different career paths.

This event facilitates conversations and networking, and we hope to create a network of support between the different graduating classes of students.

COMPANY VISITS

ASoc also partners with various accounting firms, mainly Deloitte, EY, PwC and KPMG to organise company visits for interested students looking to gain a deeper understanding about these firms.

Do look out for our EDM and Telegram announcements to sign up as there are limited slots up for grabs!

ASOC WELFARE DRIVES

ASoc's Student Life Department organises welfare drives once or twice every semester, where SoA students can look forward in getting a variety of goodies and unwinding themselves through all the exciting games and activities we have.

Sign ups are limited and are filled quickly so do be prepared to snatch the slots!

HALLOWEEN FIESTA

Held towards the end of the semester, look forward to all the thrilling activities, including our very own Haunted House! There will be a plethora of goodies to bring home as well! It will be a great opportunity to relax in the midst of your hectic schedules.

Be sure to sign up early, as there are limited slots available! Do keep a lookout for our telegram messages and EDMs for the sign up link.

07

**SMU
FACILITIES**

Unsure of what benefits you have as an SMU student? Don't worry! Listed below are some of the commonly used facilities used or visited by most students over the past few years.

SMU CONNEXION

A popular study space and an ideal location for project meetings, located between the School of Accountancy (SoA) and the School of Law (YPHSL).

SMU Connexion includes facilities like active learning classrooms, brainstorming hubs, collaborative zones, integrated learning studios, makerspace and student lounges. These facilities may be booked on the Facility Booking System but not to worry, there are plenty of study spaces within Connexion that are free for all!

Dining options are also available on Level 1 (Refer to Chapter 8).

SMU GYM & FITNESS CENTRE

Located along the concourse under the School of Computing and Information Systems (SCIS), the three-story Gymnasium and Fitness Centre is open exclusively to SMU students (and it is free of charge of course!).

The facility, comprising two fitness studios and one gymnasium, spans 3 levels and is wheelchair friendly.

Opening Hours:

Monday to Friday: 8am to 7.30pm

Closed on Saturdays, Sundays and Public Holidays

For more information, you may visit [here](#).

SMU SWIMMING POOL

Feel like going for a dip? SMU has a swimming pool accessible to all SMU students, located right at Level 6 of the SMU Administration Building.

Opening Hours:

Monday to Friday: 7.30am to 8.30pm

Closed on Saturdays, Sundays and Public Holidays

SMU CLINIC

Feeling under the weather? Just head over to TheClinicCampus, located at Li Ka Shing Library, Basement 1. The clinic is conveniently located on campus, where SMU students are entitled to free consultations and standard medication.

Clinic Opening Hours:

Monday to Friday: 8.30am to 5.30pm

Saturday: 8.30am to 12.30pm

Closed on Sundays and Public Holidays

There are also free consultations at clinics all over Singapore. To view the list of clinics that you can visit, visit [here](#).

You can also attend online consultations via the app as well as have medicine and a medical certificate delivered to you, free of charge. Do remember to show your matriculation card upon registration. You can also claim for consultation, standard medication, and simple lab tests at a number of GP panel clinics as well as government polyclinics.

For more details on medical insurance coverage, visit [here](#).

THE COZY HAVEN

A safe space for students to de-stress and recover from daily challenges of academic life, equipped with massage chairs, magazines and books, board and video games. To head to The Cosy Haven, you can follow this video.

Opening Hours:

Monday to Thursday: 12pm to 6pm

Friday: 12pm to 3pm

Closed on Saturdays, Sundays and Public Holidays

The Cosy Haven is only open during weeks 3 to 7, and 9 to 13 during the school semester and is managed by the SMU Peer Helpers.

Pro tip:

There are tables and chairs outside The Cosy Haven, so feel free to study there as well!

QUIET STUDY SPOTS

SMU has many spots around campus that serve as an optimal study venue but here is a non-exhaustive list to take note of:

First-come-first-service basis:

- SCIS Lounge
- Fish Tank at SOE
- Study spaces located at SOSS/CIS
- Law Commons
- Li Ka Shing Library Commons
- Certain study spots at Connexion
- Outside of The Cosy Haven

Places that can be booked prior:

- Li Ka Shing Library
 - YPHSL/Kwa Geok Choo Law Library
 - Certain booths at Connexion
-

**ASOC
MANAGEMENT
COMMITTEE**

21ST MANAGEMENT COMMITTEE

SMU Accounting Society, commonly known as ASoc, is an official constituent body of the SMU Students Association (SMUSA) and represents all Bachelor of Accountancy (BAcc) students.

The interim committee was formed in December 2003 and the first executive committee was installed in August 2004. Currently, ASoc is run by the 21st Management Committee with ISCA as their official partner.

ASoc strives to establish an integrative culture for BAcc students and promote an environment for holistic development.

For any queries, please email ASoc at accsoc@sa.smu.edu.sg.

ASOC'S SOCIAL MEDIA PLATFORMS

The ASoc website is where you can find our Guidebooks and stay updated with information on ASoc's upcoming professional development events and other student life activities planned for you. Keep a look out for our ASoc Merchandise space when we open orders!

Follow us on our ASoc social media platforms such as our Instagram page and Telegram channel to receive the latest happenings on our events!
